Defendants.

-----X
Naureen Rashid, an attorney duly admitted to practice before this Court and before the
Courts of the State of New York, hereby declares under penalty of perjury under the laws of the
United States of America, this 19th day of September, 2007, as follows:

1. I am associated with Koehler & Isaacs, LLP, counsel for all plaintiffs and submit this
affirmation in support of plaintiffs' motion for a preliminary injunction and temporary restraining
order.

2. In or about the last week of August, 2007, plaintiffs Alexandre, Augustin, Chartelain,
Germain, Lessage and Pierre, who are owner-operators of yellow medallion taxicabs in the City

of New York, were served with Summonses issued by the defendant New York City Taxi and Limousine Commission (“TLC”) claiming that each, respectively, had violated Section 1-11 (g) of TLC’s Rules and Regulations by failing to sign by August 1, 2007 a contract to install the Taxi Technology System (“TTS”) in his yellow medallion taxicab, and requiring them to appear at hearings variously scheduled during the work week beginning September 4, 2007. Plaintiff New York City Taxi Workers Alliance (“NYTWA”) obtained information that TLC had served similar Summonses of hearings to be held during the first two weeks of September on all other owner-operators of yellow medallion taxicabs who had not signed TTS installation contracts.

3. On Thursday, August 30, 2007, I telephoned the TLC to inform it that on August 31, 2007 our law firm was going to file this lawsuit against defendants, in part to enjoin the TLC’s administrative hearings referred to above while the issues raised in this case are properly litigated. I spoke to Charles Tortorici, the Deputy General Counsel for the New York City Taxi and Limousine Commission.

4. Shortly thereafter, I received a phone call from Ava Maria Brennan of the New York City Corporation Counsel’s Office. We entered a discussion which led to an informal agreement that plaintiffs would refrain from filing the lawsuit on August 31, 2007 in return for TLC’s adjournment of all pending hearings until the last week of September 2007. I asked the Corporation Counsel to put this agreement in writing, which they did. See Corporation Counsel letter to Naureen Rashid as annexed hereto as Exhibit A. Upon receipt of this letter, I left a voicemail for Ms. Brennan stating that we would not file the lawsuit on August 31, 2007.

5. Upon information and belief, TLC has again served plaintiffs Alexandre, Augustin, Chartelain, Germain, Lessage and Pierre and all other similarly situated owner-operators of

yellow medallion taxicabs with fresh Summonses requiring them to appear and answer beginning on what we believed to be Monday, September 24, 2007, based on our agreement. The new Summonses received by plaintiffs are annexed hereto as Exhibit B.

6. Because the same circumstances exist except that the hearing dates have changed, counsel for plaintiffs have chosen not to update every sworn factual statement submitted in support of this motion, but rather to proceed with the papers as they were originally drawn, while making it plain to all that the plaintiffs' hearing dates originally set forth as on or after September 4 are now scheduled on or after September 24.

7. Specifically, below are the old TLC hearing dates as reflected in each plaintiff owner-operators' affidavit, and the newly scheduled hearing dates as shown in Exhibit B:

Loubert Alexandre	Old Hearing Date:	September 5, 2007
	New Hearing Date:	September 24, 2007
Yvon Augustin	Old Hearing Date:	September 10, 2007
	New Hearing Date:	September 28, 2007
Jean Pierre	Old Hearing Date:	September 7, 2007
	New Hearing Date:	September 28, 2007
Max Chartelain	Old Hearing Date:	September 6, 2007
	New Hearing Date:	September 26, 2007
Claude Lessage	Old Hearing Date:	September 6, 2007
	New Hearing Date:	September 26, 2007
Wilfred Germaine	Old Hearing Date:	September 6, 2007
	New Hearing Date:	September 26, 2007

8. On September 18, 2007, I called the New York City Corporation Counsel's office and spoke to Ave Maria Brennan. I told her that on September 19, 2007, we would seek a temporary restraining order to stop TLC from holding administrative hearings against the owner-operators

who have not signed contracts with vendors to install the TTS and consequently, are facing suspensions of their medallions on their scheduled hearing dates. I also apprised her that we are seeking a preliminary injunction to stop the installation of TTS, which the TLC has mandated to be installed inside of every yellow taxi cab by no later than the taxi's first inspection date after October 1, 2007.

9. On September 18, 2007, I received a phone call from a taxi driver named Stewart Joffe, who is a member of NYTWA. We are general counsel to NYTWA and routinely receive phone calls from taxi drivers regarding various matters. Although Mr. Joffe is not one of our named plaintiffs, he falls within the class of our owner-operator plaintiffs class. He is an owner-operator who has not signed a contract with a vendor to install TTS. The TLC had originally sent Mr. Joffe a Summons to appear for an administrative hearing scheduled on September 7, 2007. Once we reached the agreement with the Corporation Counsel to adjourn the hearings, he received a new Summons from the TLC stating his new hearing date is September 20, 2007. This hearing date clearly does not fall within the last week of September 2007 as agreed to by Corporation Counsel. See Exhibit A as annexed hereto. This driver will face the suspension of his medallion tomorrow if the court does not intervene.

10. Up until this phone call from Mr. Joffe, we were under the impression that the earliest scheduled hearing date against an owner-operator where he/she may face medallion suspension, was scheduled to begin on Monday, September 24, 2007 based on our agreement with Corporation Counsel.

11. Plaintiffs believe that a further informal agreement between the parties will not suffice because Corporation Counsel did not fully honor the earlier agreement.

12. No prior application for the relief sought herein has been made to this Court, and this Court need not require plaintiffs to post a bond in support of the injunctive relief they seek because defendants will incur no monetary loss as a result of any temporary or preliminary injunctive relief entered by this Court.

Re: TLC Matter

Dear Ms. Rashid:

This will confirm our telephone conversation in which I informed you that the hearings currently scheduled at the Taxi and Limousine Commission for the first two weeks in September against, among others, owner operators, for failure to sign vendor contracts by August 1, 2007 have been adjourned to the last week in September (unless an individual respondent insists on proceeding with a hearing notwithstanding TLC's adjournment of the matter). These adjournments are without prejudice to applications for further adjournments of these hearings.

Please advise whether you still intend to seek a TRO tomorrow.

Thank you.

Very truly yours,

Ave Maria Brennan

I, Lev Nathaniel Kropsky, Special Assistant to the Chief of Staff of the Taxi and Limousine Commission, certify that among my primary duties and responsibilities are those pertaining to the Outreach of the Technology Enhancement Project to the taxicab industry.

The purpose of the Outreach is to publicize the compliance deadlines of medallion owners to sign contracts to buy, lease, rent or use the Taxicab Technology Enhancement System and Service.

Outreach has included multiple mailings which were sent to all medallion owners at the addresses listed in TAMIS, a TLC data base.

The mailings included both mass marketing mailings from each of the four Enhancement Vendors to all medallion owners in May of 2007, which included Industry Notices for the approved providers of the technology systems and services and informing of the August 1, 2007 deadline to contract, and a Final Notice of the August 1, 2007 Sign-Up Deadline which was sent on July 30, 2007, to all medallion owners who had not yet signed a contract with a vendor. The Final Notice informed the medallion owners that Summonses would be issued to those who were not in compliance.

Additionally TLC held various Outreach events at its Woodside facility. These included a Tech Enhancement Seminar on September 30, 2006 as well as Tech Vendor Expos on June 25, 2007 and July 10, 2007. Each of these seminars was publicized on the TLC website. The notice of the third seminar contained a reminder of the August 1, 2007 Sign-Up Deadline.

Further Woodside Outreach included a feedback session with drivers of the 200 beta test cars on May 7, 2007, and vendor marketing and showcasing of test vehicles on multiple dates at the Woodside inspection lanes beginning on May 7, 2007.

Furthermore, Outreach at JFK was held April, May, June, and July, 2007.

Outreach was held at LGA in April and May 2007.

Outreach was held at Fleets on various days in April and May, 2007.

Finally, the TLC posted an Industry Notice dated June 7, 2007 on the TLC website advising of the August 1, 2007 deadline for medallion owners to contract and explaining to medallion owners the technology program and their responsibilities. This June 7, 2007 Industry Notice was preceded by three notices dated May 25, 2007, June 1, 2007, and June 6, 2007 advising of authorized providers of the technology systems services and the August 1, 2007 deadline to contract. A June 26, 2007 Industry Notice posted on the TLC website again provided the August 1, 2007 deadline.

The four authorized vendors have submitted copies of signed contracts and lists of medallions that have signed up for the Taxicab Technology System and Service. Approximately 12,850 medallion owners signed contracts.

On August 22, 2007, in the ordinary course of business, TLC staff for the Taxicab Technology Enhancement System reviewed those listings and the list of medallions that are in storage. TLC staff compared the authorized vendors' lists with the TLC database and extracted medallion numbers of owners who have not contracted for the system and services. The Respondent is not on the vendors' lists, the medallion is not in storage and the TLC has been provided with no record that the medallion owner has signed a contract for a system and services.

A list of these medallions owners was sent to the Uniform Service Bureau of TLC on August 22, 2007 to issue summonses for failure to comply with Rule 1-11(g).

I, Lev Nathaniel Kropsky, Special Assistant to the Chief of Staff of the Taxi and Limousine Commission, certify that among my primary duties and responsibilities are those pertaining to the Outreach of the Technology Enhancement Project to the taxicab industry.

The purpose of the Outreach is to publicize the compliance deadlines of medallion owners to sign contracts to buy, lease, rent or use the Taxicab Technology Enhancement System and Service.

Outreach has included multiple mailings which were sent to all medallion owners at the addresses listed in TAMIS, a TLC data base.

The mailings included both mass marketing mailings from each of the four Enhancement Vendors to all medallion owners in May of 2007, which included Industry Notices for the approved providers of the technology systems and services and informing of the August 1, 2007 deadline to contract, and a Final Notice of the August 1, 2007 Sign-Up Deadline which was sent on July 30, 2007, to all medallion owners who had not yet signed a contract with a vendor. The Final Notice informed the medallion owners that Summonses would be issued to those who were not in compliance.

Additionally TLC held various Outreach events at its Woodside facility. These included a Tech Enhancement Seminar on September 30, 2006 as well as Tech Vendor Expos on June 25, 2007 and July 10, 2007. Each of these seminars was publicized on the TLC website. The notice of the third seminar contained a reminder of the August 1, 2007 Sign-Up Deadline.

Further Woodside Outreach included a feedback session with drivers of the 200 beta test cars on May 7, 2007, and vendor marketing and showcasing of test vehicles on multiple dates at the Woodside inspection lanes beginning on May 7, 2007.

Furthermore, Outreach at JFK was held April, May, June, and July, 2007.

Outreach was held at LGA in April and May 2007.

Outreach was held at Fleets on various days in April and May, 2007.

Finally, the TLC posted an Industry Notice dated June 7, 2007 on the TLC website advising of the August 1, 2007 deadline for medallion owners to contract and explaining to medallion owners the technology program and their responsibilities. This June 7, 2007 Industry Notice was preceded by three notices dated May 25, 2007, June 1, 2007, and June 6, 2007 advising of authorized providers of the technology systems services and the August 1, 2007 deadline to contract. A June 26, 2007 Industry Notice posted on the TLC website again provided the August 1, 2007 deadline.

The four authorized vendors have submitted copies of signed contracts and lists of medallions that have signed up for the Taxicab Technology System and Service. Approximately 12,850 medallion owners signed contracts.

On August 22, 2007, in the ordinary course of business, TLC staff for the Taxicab Technology Enhancement System reviewed those listings and the list of medallions that are in storage. TLC staff compared the authorized vendors' lists with the TLC database and extracted medallion numbers of owners who have not contracted for the system and services. The Respondent is not on the vendors' lists, the medallion is not in storage and the TLC has been provided with no record that the medallion owner has signed a contract for a system and services.

A list of these medallions owners was sent to the Uniform Service Bureau of TLC on August 22, 2007 to issue summonses for failure to comply with Rule 1-11(g).
